**MAIL STOP AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, except for the following: U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed after June 30, 2003.

The present Information Disclosure Statement is being filed before the mailing date of the first Office Action on the merits, and therefore no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

Applicant encloses herewith a copy of a Communication from the Japanese Patent Office in a counterpart Application No. 2003-394619 citing such documents indicating the degree of relevance found by the Japanese Patent Office.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following:

1. An English language abstract and a computer translation of JP 11-326915 submitted herewith each constitutes a concise statement of relevance of JP 11-326915.
2. An English language abstract and a computer translation of JP 2002-214627 submitted herewith each constitutes a concise statement of relevance of JP 2002-214627.
3. An English language abstract and a computer translation of JP 2003-280004 submitted herewith each constitutes a concise statement of relevance of JP 2003-280004.

It is noted that WO 02/092718, cited in the Japanese communication of the counterpart patent application, was previously cited in the Information Disclosure Statement of April 19, 2007, and thus is not being listed on the Form PTO/SB/08 A&B submitted herewith.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
